\$850,000

• 195.3 hectares (482.6 acres) in one freehold title. • Located approximately 40 minutes west of Gympie, 15 minutes from Widgee. • Nestled at the headwaters of Bongmillerer Creek, flowing into Wide Bay Creek, "Bongmuller" offers a rare opportunity to own a piece of history and nature's grandeur. For over a century, this property has provided grazing land for one family, and now it invites you to become a part of its storied legacy. • The property is spread across diverse landscapes, and is home to a vibrant array of wildlife, including birds, wallabies and deer. A good stand of hardwood timber, logged over a decade ago, presents an idyllic blend of natural beauty and sustainable potential. • A bore, powered by a solar pump ensures a consistent water supply, flowing into a holding tank and cattle trough, while a small dam, coupled with excellent additional dam sites, adds to the property's water features. • The property shares a boundary with Oakview National Park. • Whether you seek a haven to escape the hustle and bustle, a sustainable living retreat, or a legacy property to pass down through generations, Bongmuller offers it all. Don't miss the chance to make Bongmuller your own – a retreat where the echoes of the past harmonize with the melodies of nature. Contact Lex Townsend on 0429 832 192.
