Seaview Park Estate is a wonderful place to reside. An abundance of flora and fauna, with fresh air and bright night sky. From roadside the property elevates. If you were to build at the higher end there are views to the valley and ocean. Power and water to the roadside, weekly rubbish collection and fortnightly recycling. School bus services and a Community Hall. Less than 1 hours drive to the end of Mitchell Freeway, approximately 1.5 hours drive to the airport. Approximately 10 minutes drive to coastal towns of Lancelin and Ledge Point. Internet available.
