Idyllic beach side living...Limited only by your imagination!Unique and rare beachside estate!!For a short period of time, builders incentive includes fencing.Whether you are wanting to build a single or double story in a location that literally stops you from the craziness of your day to take in the sunrises and sunsets then this will be your happy place!It's unspoilt, it's both vibrant and peaceful and THE place to live!A few little extras to know....1. Flexible settlement terms with titles already issued2. There will be building covenants to protect the estates appearance3. Fully retained level blocks4. All services underground5. Beautiful new roads and walking pathsThis cottage block comes with secured fencing to front elevation and side color bond fencing included.Don't yearn, say yes! Call me now !Developer just released more blocks but this is the lucky last of anything around \$200k. Feel free to email me for ore info, latest sizes, prices and availability.* There is a designated garage location on this block
