**\$220,000**

This is a no brainer really, make the move to the prestigious marina end of Jurien Bay and enjoy life! • 780sqm vacant corner block providing dual access • Fully serviced with underground power, phone and deep sewerage • Water has been connected • Mins walk, ride or drive to beautiful beaches & marina • Less than 2km walk to the tavern • Good shape to build on, almost perfectly rectangular • Easy reverse boats/caravans • No time restrictions to build, so a fantastic investment The marina district is a small pocket to the north of Jurien Bay, clearly majority built out with few blocks left available. Wouldn't delay, blocks are getting snapped up quickly these days. Call Samantha now on 0409 104 724.
