Walk in and indulge in the open spaced floor plan that allows for busy families to live and function with ease. This incredible home has 4 great sized bedrooms with built in wardrobes in each. The master bedroom is equipped with its own ensuite and walk in robe, that has hanging space and shelving. Well-equipped and sleek design kitchen with ample bench space. Electric cooktop and wall oven, press-open top cupboards and soft closing drawers. The kitchen has an open plan, that overlooks out to the combined dining and family living space. In the heart of the home lies a great amount of versatile living spaces. There are 3 living areas within this plan, the family/dining space, a carpeted media room PLUS a kids retreat/rumpus/activity room/office/lounge room there are so many options! The bathrooms continue through with the modern inclusions. This clean minimalistic design has wall hung vanities, feature wall tiling and a free-standing bath in the main bathroom. As you walk outside to the backyard you will be greeted by the covered alfresco that is positioned so that you can enjoy the privacy of your own back yard. Outdoor entertaining, or even relaxing after a long day will easily be apart of your lifestyle with the outdoor alfresco. The backyard is fully fenced and easy to maintain. *Photographs, artist impressions and other pictures shown here are for illustrative purposes only and may show fixtures, fittings or finishes which differ from the inclusion list for this home.
