This two-level home with 5 bedrooms presents a versatile living arrangement. Notable features include a ground floor bedroom and adjacent bathroom, perfect for accommodating guests, independent children, or grandparents. There are two distinct living spaces, including a roomy kitchen, dining, and family area that seamlessly connects to a covered alfresco terrace. The heart of the home lies on the ground level, where the kitchen, dining, and family room seamlessly flow into a generously sized covered alfresco terrace. This space is perfect for enjoying outdoor meals and entertaining. The master bedroom offers walk-in robes and private ensuite. All bedrooms are generously sized, equipped with built-in robes, and have access to a spacious and functional family bathroom. Special Features • Ducted reverse cycle air conditioning • Stone kitchen benchtops • Glass splashback • Window Furnishings throughout • Alarm system with 'Touchnav' LED code pad and 2 remotes (also, connected to garage door auto opener) • Auto garage door (one door only) • Half height tiling to bathroom & ensuite and powder rooms that include showers • Free-standing bath tub^ Areas are approximate. Floorplan not to scale. Furnishing for illustration purposes only. Internal and External perspectives are representative images only.
