A flexible 4 bedroom home design suited to uphill sloping blocks. Learn more about the Monaco 1 185. The Monaco 1 185 is a split level slab design that has the flexibility to suit a level block or an upwards sloping site. For a sloping site, this design allows for a split slab to create a step from the entry level down to the open plan kitchen and living area. With two bathrooms and four bedrooms - each with their own built-in or walk-in wardrobe - this is a great home for families and/or couples who love to have guests stay. An optional alfresco adjoining the living area completes this modern Australian home.
