The town of Cobbitty is steeped in history. With its general store, café, post office, historic church and heritage listed homes, Cobbitty comes alive on market day when local makers and growers take over the Cobbitty Public School grounds for a monthly gathering now in its 40th year. Cobbitty has everything you need, locally. Nearby are the fast growing centres of Camden and Narellan, with an abundance of cafes, restaurants, schools, medical facilities and opportunities for employment. A flexible 4 bedroom home design perfect for your narrow block. The Bronte 222 is a fun design from Montgomery Homes' range of single storey homes for level sites. Suited for blocks 12.7m wide or larger, this design features a separate home theatre, rumpus and living area to provide space for all the things you love to do at home. In addition, this home provides four generously-sized bedrooms with the master suite unfolding into the alfresco. Consider reverse corner stacker doors off bedroom one to exude luxury and space.
