This two-level home is tailor-made to meet the needs of today's dynamic family lifestyle. It offers a range of flexible living spaces, including a formal living area and a rumpus room on the second level. The heart of the home lies on the ground level, where the kitchen, dining, and family room seamlessly flow into a generously sized covered alfresco terrace. This space is perfect for enjoying outdoor meals and entertaining. The master bedroom is a true retreat, complete with a walk-in robe and an ensuite bathroom and a private balcony. All the bedrooms in this home are generously sized and come with built-in robes, providing ample storage for the entire family. The family bathroom is impressively spacious and even includes an adjoining linen cupboard for your convenience. For added practicality, the double garage offers both internal and external garden access, making it a versatile space for storage or other activities. This home is designed to enhance your family's lifestyle and comfort.
