Consequently, the availability of the land at the time of your inquiry may vary. Furthermore, it may be necessary to modify the house design to comply with design guidelines, DAPs (Development Assessment Panels), estate covenants, or any other requirements set forth by the land developer. Any expenses incurred due to such modifications will be borne by the purchaser. Siteworks costs vary depending on the site, and while an allowance for siteworks has been included, any additional costs will be the responsibility of the purchaser. Please be advised that the images and floor plans presented are for illustrative purposes only. Actual photographs and floor plans may not be an exact representation of the final design. The builder may not supply certain fixtures, features, and landscaping, so we kindly request you to contact our agent for comprehensive information. The total package price is reduced by \$10,000 first homeowner grant.
