This is a massive private property with approximately five cleared acres directly behind the Cooya Beach houses facing the ocean. The cleared section of the block is approximately 440 meters long and between 40 and 70 meters wide. The balance is primarily wetland and a nature lovers paradise. Total land area is 18.21 hectares. This property would make a fantastic large house block with ample room for sports and hobbies. There is access to the Mossman River at the far end of the property. You can throw in a crab pot from your own jetty.** Please note that this property cannot be subdivided.
