On 3.2 Acres, this modern home is vacant and ready to move into! With some finishing touches needed, you can put your own stamp on the property without having to wait for a new home to be built. Quite a generous sized home with around 153sqm of living space, consisting of 3 bedrooms, 2 bathrms, two living areas with a massive open plan kitchen/meals/family room, and a seperate lounge room. The kitchen has plenty of cupboard and bench space, a large 900mm freestanding stainless steel oven, and a butlers pantry which leads to the laundry. The main bedroom is extra large, with its own ensuite and walk in robe. Inside is mostly painted, however some painting and also window treatments are still needed. An energy efficient heat pump hot water system has been installed. Outside there is a front verandah and a patio area out the back. There is no paving or gardening done, although there is some colourbond fencing and a concrete slab of around 6 x 12 metres which has been laid for a shed.
