That's right, build up high at the back of this block and get the breezes, the outlook and the whisper of the wind through the trees. Stunning 6625m<sup>2</sup> of natural bushland where nature abounds. This block would suit a semi-elevated house with large deck off the front to take in those afternoons of relaxation surrounded by nature and full of privacy. The block gently slopes from the rear to front, but is still a low maintenance block with plenty of opportunities to create your gardens and veggie patches. Set in the ever-popular location of Glenwood only a short distance to Gympie and the wonders of the Fraser Coast. Priced to sell and it will sell quickly.
