Hamlyn Terrace, situated on the Central Coast of New South Wales, offers residents a relaxed and family-friendly living experience. One of the notable benefits of residing in Hamlyn Terrace is its peaceful suburban setting, providing a quiet retreat while still maintaining proximity to essential amenities. The suburb features a mix of contemporary housing options, creating a diverse and welcoming community suitable for families and individuals alike. Residents can enjoy nearby parks, schools, and recreational facilities, contributing to a well-rounded lifestyle. Hamlyn Terrace's accessibility to nearby beaches and the Tuggerah Lake ensures opportunities for leisure and outdoor activities. With its tranquil ambiance, community warmth, and a convenient blend of suburban comforts and natural attractions, Hamlyn Terrace stands as an appealing destination for those seeking a harmonious and fulfilling living experience on the Central Coast. Every Montgomery Home is built with families in mind, and the Southport 217 is no exception. Two of the four bedrooms in this home adjoin the rumpus/activity room creating a space separate to the main living area for your family to spend time. The master bedroom is removed from the busiest part of the home with a set-back entrance for maximum privacy. The main living area is a beautiful open plan space that connects the alfresco to the modern kitchen. The kitchen features a stylish island bench and walk-in pantry. **WANT A NEW HOME IN JUST 26 WEEKS?** Our Emerge Collection combines affordable home designs with the quintessential Montgomery Homes building experience to ensure your home has the quality items you will need and nothing you won't. For more information on this package, or for anything else, please reach out to me directly over the phone or via my email. *CONDITIONS APPLY - Bundle price excludes costs associated with land purchase (eg. legal fees, stamp duty and property searches etc). Bundles and pricing are based on current preliminary developer land information and are subject to developers design review panel, land registration and statutory/regulatory authority requirements (eg. Council, BASIX, Mines, Bushfire Regs etc) as well as soil assessment, contour survey and engineers reports. See inclusions list for standard inclusions. Pictures shown are for illustrative purposes only. Montgomery Homes reserves the right to revise plans, pricing and all specifications without obligation or notice prior to payment of a commencement fee. Site cost allowances are based on average site costs and may vary per individual site. Clients are responsible for tree and vegetation removal as well as scraping the site to a depth of 50-75mm prior to construction. The above pricing is an estimate based on land size of 450m². This pricelist is a guide only as pricing of turnkey items and site-specific requirements (i.e. BAL ratings) will vary depending on lot size. Emerge Collection packages are only available for vacant land with a maximum of 900mm fall over the building footprint and where no batter is required. Changes to designs are not permitted. Emerge Collection packages and pricing are for new estates. These packages and pricing do not apply to knock down rebuild sites. Designs and plans are copyright protected and remain the property of Montgomery Homes Pty Ltd at all times. *The included site costs offered by the Emerge Collection offers peace of mind and instils confidence in managing site expenses. The Emerge Collection included site costs encompasses both earthworks and piling, specifically:

1. Earthworks; cut and/or fill to create level building pad on sites with maximum 900mm fall across the building envelope. Please note, included site costs price excludes removal of excess spoil, importation of fill and any stepped building pads/dropped edge beams (if applicable)
2. Piling; supply and placement of up to 40 lineal metres of foundation piers (bored concrete piers or screw piles) to house slab. Please note, piling layout and extent to be finalised by structural engineer, in conjunction with foundation design and results through the Limited Site Investigation.

*Contract construction timeframe within 26 weeks from the start of onsite work for all single storey homes within the "Emerge Collection" range. The guarantee includes single storey homes and is limited to selected greenfield sites subject to approval by Montgomery Homes. Clients must choose a standard design from the Emerge Collection and comply with all conditions within the range. In the event that the build time surpasses the contract timeframe, Montgomery Homes agrees to compensate the client. The compensation will be provided at a rate of \$70 per working day that the build time exceeds the contract construction period. Montgomery Homes shall not be held liable for delays caused by circumstances beyond its control, including but not limited to an act of god, fire explosion, earthquake, or civil commotion, adverse weather, an industrial dispute, a dispute with adjoining neighbour, resident or owners, anything done or not done by the owner, delays in getting any approvals, a delay in the supply of materials selected by the owner, the need for a survey of or other report in relation to

the site, or the industry shutdown being a 3 week period commencing on or about 22 December in each year, a variation by the owner. In such cases, the contract build time may be extended accordingly, and compensation will not be provided for the duration of extension of time claimed by the builder. Clients must adhere to all terms and conditions outlined in the building contract and cooperate with Montgomery Homes throughout the construction process. Failure to comply with these responsibilities may impact the build time guarantee and compensation eligibility. Montgomery Homes reserves the right to amend or modify these terms and conditions at any time without prior notice. Any changes will be communicated to clients in writing and will apply to all future projects. **The included site costs offered by the Emerge Collection offers peace of mind and instils confidence in managing site expenses.
