You are in for a sweet home treat. Honey ticks the boxes of smart and storage, with considered spaces maximised via linen closets, storage and study nooks where possible. Bedrooms are incredibly spacious and cleverly positioned on one side of the home, away from the common family areas. The list does go on: there's easy access to the garage through the laundry or kitchen, making unloading shopping or sports gear a breeze. Plus, an expansive kitchen, meals and family area makes moments at home much more relaxing, comfortable and enjoyable.
