Nestled up on the high side of Arborfive Road, this 6001m2 block has the perfect outlook and stunning views across to Mt Kanigan. Blocks of land in the Glenwood area are becoming hard to find as people are moving into the area due to the peaceful lifestyle, larger affordable blocks and a great community feel. This block is up high, cleared and just ready for that buyer who wants to build their dream home and break the Urban grind! Fenced into two paddocks with the top location perfect for the house and shed, with the second area ideal for running some hobby animals or just get into the garden and get the fruit trees growing, the vegetable patches started and just enjoy your decision to move to this great little place. Situated 30 minutes from Gympie, 45 minutes to Rainbow Beach and the Fraser Coast. Or for those that need their shopping fix, the Gympie By-pass will be finished this time next year shortening the time significantly to the Sunshine Coast and Brisvegas!
