Downsize or upstep into this almost one acre lot on town's doorstep and build a new home with the most reputable builder in the state's southwest. Choose or modify the selected plan to suit your own requirements and we offer custom builds as well. Building with us will give you what you want in the design and specifications and the quality and experience will be second to none. Fixed price contract means no price rises whatsoever (ask all of our existing happy clients how well that went for them). Save money as you are only paying stamp duty on the land component. Call me to get the next stage of your life in motion.
