* Vacant block of land* No requirements to build a certain type of building* No requirements to build within a certain time frame* Easy access from Bennett Road which will be constructed by own* Electricity will be available* Gently sloped* 4001m2 in area* Not "naked" with some established trees to work with when you build your dream home* Affordable vacant land in Strathdickie doesn't come up too often. This block presents a great opportunity for you to build your home on a manageable size block that won't make you a slave to mowing. With some selected established trees remaining on the land, it is your choice where you build and how to embrace the beauty of what is on the land. Slightly elevated, the block will drain well.
