The Cooran design range combines a clever layout and flawless features to create a home that is both elegant and enjoyable to live in. Featuring spaces for group and personal retreats including a separate media room, open plan family room, and a master suite, the design perfectly meets the requirements of a growing family. The main living zone is the open plan family and dining area, flowing out to the covered alfresco with the kitchen and walk-in pantry as the central core of the home. The master suite to the front of the home has you feeling relaxed as you enter and features a walk-in robe and elegant ensuite. A dedicated kid's zone to the back comes with additional bedrooms and the family bathroom. Allow yourself to imagine the lifestyle you've always wanted; in the home you deserve! The Cooran offers individually crafted facades that will inspire you by providing a choice of homes that reflect your personal lifestyle and preferences. For optimal site use, this design is best positioned on sites with the north aspect towards the rear & side of the home, providing sustainable and comfortable living conditions throughout the year.
