Check out this great four bedroom 2 bathroom home set on 2.39 Ha. Has a second floor, huge sheds PLUS BONUS a extra cottage. Cottage has power on, set up to add your own bathroom. Has an above ground swimming pool with a new liner supplied. Plus a spa with a new motor ready to install. The owner also has a huge list of all he wants to sell as he wants to walk out with virtually just his cloths. I can send the list but it is between the vendor and whom ever wants to purchase items. Nothing to do with the property..So set yourself up check it out. WOW LOOK AT THE SHED STORAGE.Call Sue 0427087782.
