**\$200,000**

Imagine the weekend getaways you could have on 20 acres of Macedon Ranges' natural beauty. This property is perfect for those who love to camp, hike, bike, and explore local wineries, markets, and cultural treasures through the day and spend their nights listening to the sound of silence (apart from the croak of the odd frog perhaps). Watch the stars traverse the night sky – you never know, you might even catch sight of an aurora if you're lucky! This bush block allows you to create your own private oasis to reconnect with nature, recharge and re-energise. Despite its peaceful location, the property is conveniently close to the Riddells Creek train station and the Calder Freeway. Enjoy the blend of seclusion and easy access to Riddells Creek shops, cafes and restaurants. Seize this exceptional opportunity to claim this 20-acre bushland haven as your own. Call David today on 0467 280 803.
