\$585,000

The block is one of 24 in the heart of Cornubia and within walking distance of schools, a sports centre, shops, and parks. The gentle slope can be changed to a cut-and-fill to create an excellent-level building pad. The established Brick Fence is already in place. Surrounded by \$1.5m plus established homes on large blocks. Public transport is within walking distance. Buy now and settle when the land is registered, estimated to be around October/ November 2024.
