Parcels of land this size (approximately 8 hectares) are quite rare so this could be just the one for you. Not too big and not too small, it is located within a 2 minute drive to Port Clinton, 20 minutes to Ardrossan's shopping facilities and 80 minutes to Adelaide. Zoned Rural Living, there is the opportunity to build a secluded home far away from neighbours - subject to council approval - with the odd glimpse of the sea at high tide. Various shedding including garage and stables are on the property and mains water is available. If you want to enjoy the tranquility of a rural setting while still being within easy reach of amenities and conveniences, or maybe just a place to escape to on weekends to use as a base to go fishing, contact Scott Bockmann at Ray White Yorke Peninsula's Ardrossan office on 0427 519 628 today.
