Here is your opportunity to secure a beautiful grazing block only 15 minutes North of Crows Nest in the sought after Emu Creek district. This 129.4ha (320 acre) property is divided into numerous paddocks, all with troughs fed from a header tank which is supplied by a solar bore of around 600gph. The property also has approximately 900 meters of Pierces Creek frontage. The original cattle yards have had some upgrades with steel crush, race and loading ramp. There are also two dams on the property. For those looking to build their dream home the property offers several potential house sites taking in the stunning rangeland views. This block is predominantly undulating, selectively cleared timbered country including native pasture. A rural property such as this is sure to generate plenty of interest, so phone now to organize your inspection. Lot 164 features: 129.4 ha (320 acres) of well pastures country divided into numerous paddocks. Well watered by bore, creek and dams. Timber and steel cattle yards. Creek flats.
