Located in the charming country town of Heyfield with picturesque surroundings and relaxed lifestyle living, you and your family will be able to enjoy all that Heyfield and Gippsland have to offer as well as belonging to a close-knit community friendly town, where everyone knows and help each other. These spacious allotments are now available for purchase with this being the first of three planned stages and titles expecting to be released in August/September 2024, just in time for you to start building your dream home or investment before the end of the year. With many benefits available such as being walking distance to the town centre, parks, shops and sporting amenities, town services available including power, sewage, water and NBN, whilst being one of the most affordable land estates around, these pre-title prices are exceptionally good value with the asking price likely to increase once titles have been issued. These blocks will certainly be popular and won't last long. For more information please contact Sarah Bedggood on 0400 614 669.
