With efficiency at its core, the Alta 1 is testament to how design consideration can still be thoughtfully executed at every level of home ownership. The creation of a free-flowing plan and the generosity found in the simple things, this design balances modern day demands down to the last drop. This Alta 1 is to be built on Lot 170 with a 4.6m wide frontage and a land area of 74m². Key Design Features: Open plan kitchen, dining and living area on the ground floor; Walk-in robes in Bedroom 1 and 2; Two way bathroom; Single car garage with in-built laundry; Ample natural light to living areas; Reverse Cycle Split System in the living area; Sustainability As Standard; Minimum 1.5kw Solar Panels; No Gas Appliances; Energy Efficient Reverse Cycle Split System; Electric Car Charging Provision to Garage; Electric Heat Pump Hot Water System. The Alta 1 embodies a seamless flow, where open-plan kitchen, dining, and living areas on the ground floor create an inviting and spacious environment for your family to thrive. With walk-in robes in both Bedroom 1 and 2, a two-way bathroom, and a single-car garage featuring an in-built laundry, every inch of space is optimized for your convenience.
