Amazing 10-acre bush block, located on the corner of Valley View and Trig Point Drive, which means you can have dual access. Main dwelling and shed on one side and a granny flat on the other maybe? The vegetation is perfect, with big trees and sandy soils. On the corner of two quiet streets, the birds are the only thing you'll hear. Zoned "Rural Pursuit" which means the whole property can be developed if you want to make a living off your land by growing a vineyard, olives, mangoes, etc.. If growing stuff isn't your thing, there's a range of other rural industries you could partake in or do what the majority do and just enjoy life, living on acreage! No time restrictions to build allows you to secure the block today and dream away how you want to develop. If peace and serenity are your thing, with the beach only 10 minutes away, call Samantha today on 0409 104 724, and start planning your new lifestyle today!
