What an opportunity to build your dream home on this 1502m² flat block of land, elevated to get those beautiful ocean views. To have over a quarter of an acre of land in the ever popular "Ocean View Estate" you can not be built out with this piece of land. With nearly no blocks available in this great estate, be quick to contact Doug or Jess to inspect this rarity. It's very unique to purchase an elevated block that is flat and ready to build on, Call today...
