Featuring a community that will contain over 2,200 homesites, Kingsfield encapsulates the stunning natural landscapes of Sunbury. The design will enhance the area with over 133 hectares of open spaces complemented by winding walking tracks, green parks, vast wetlands and dedicated conservation areas containing local wildlife. To complement the picturesque natural surrounds, Kingsfield will also feature community facilities, shopping precincts, landscaped playgrounds, a proposed school as well as sporting and recreation facilities. With comfort and convenience accounted for at Kingsfield, you will still have connected balance with nearby freeways, Sunbury Station, Sunbury town centre, Melbourne CBD as well as primary and secondary schooling options all on your doorstep.
