We've thought everything through in the Irving design that makes it perfect for first home buyers or people wanting to downsize. There's ample space with 3 bedrooms and the master with ensuite and walk-in robe, but it's the open plan of the living areas that will impress with options for an alfresco to open it up even more. Everything has a place, even the European laundry tucked away in the hallway for easy access. You'll love the simplicity of this design. This off the plan, Burbank home & land package features:
