Positioned in the upper end of Camp Creek Road, through the beautiful surrounds of Lowanna is an isolated bush block, with a building entitlement. Southern parts of the massive Kangaroo River State Forest cover the northern boundary. Eastern parts of the massive Wild Cattle Creek State Forest cover the western boundary. The Little Nymboida River is not far away. If you seek bush solitude & privacy, with the ability to build your comfortable home, consider this secluded property. \$220,000
