Fareed Sherzad and the team at Greystone are proudly presenting this fantastic opportunity to own a prime piece of land in the booming west of Melbourne. The masterplan vision for Deanside Village is the perfect balance of enhancing the natural beauty of bordering Kororoit Creek, preserving the secluded location from the hustle and bustle of life, and providing extensive opportunities for outdoor play. In addition, the community design nurtures the essence of connectivity with easy access to nearby Caroline Springs and proximity to versatile existing transport networks. With a proposed business and retail hub, complete with a supermarket and specialty shops, new schools, a community park, and sporting fields, it's time to join the new Deanside Village community. With the right blend of convenience, connection, and security, because life is simpler, when everything you need is right where you are.
