**\$340,000**

This acreage provides the space that is needed for your country lifestyle. With town water connected and fully fenced all that is needed is your house plans and a septic tank (STCA). Situated in the western area of Swansea, the township and beaches are only a short drive. A blank canvas to start your sea change whilst not being too far from town, doctors, sports or the vineyards to the North and South of the town. **\*\*Purchase is subject to the issue of title.\*\***
