With breathtaking panoramic views and located in the tightly held Bylands district, under 70km to Melbourne's CBD and approximately 40 kms from Melbourne airport, this majestic property of just over 40 hectares offers a secluded yet convenient lifestyle opportunity. There are several ideal and elevated sites to build your dream home (STCA) and enjoy the sunsets over the Macedon Ranges. This beautiful property includes three dams, scattered mature native trees and a bushland portion of approximately 23 acres in its south-eastern corner. There's also a mains electricity line running through the property and concrete water tank of approximately 22K litre capacity. Located between the thriving townships of Romsey, Wallan and Kilmore you have schools, shops, eateries and sporting facilities within easy reach whilst enjoying secluded country living. This amazing property offers the very best of both worlds and will enchant you from the moment you arrive. We invite your inspection by appointment.
