Nestled within the heart of the sought-after Sandalwood Avenue area lies an exceptional opportunity to build the home of your dreams. With vacant blocks becoming increasingly scarce in the area, this offering represents a rare chance to secure a foothold in one of Dalby's most coveted locales. Whether envisaging a luxurious family retreat or an architectural masterpiece, this blank canvas invites buyers to transform visions into reality. This large corner block spanning *4000 square meters, provides ample space to design and construct a custom residence tailored to your preferences and lifestyle needs, and with 2 road frontages your only limitation is your imagination. With so few blocks available around Dalby this block will not last on the market long. Call us today to arrange an inspection.
