This 75 acre land parcel is located on the tightly held country along Chinghee Creek. Lots of open space, great views and plenty of peace and quiet. On a long sealed road frontage to Chinghee Creek Road the block is split by Lawn Hill Road. All in all providing great access to all areas. The land ambles gently fronting 2 creeks offering plenty of nice open spaces along the beautiful treelined waterways for building a new home. The block runs from the creek and up to the top of the timbered hillside reaching 320m above sea level. The farm is perfect for grazing or camping with the space to be adventurous for those with an interest in finding a versatile rural block in the Scenic Rim to escape to. The setting is beautiful, nestled in this quiet little valley just off Christmas Creek Road. Located around 25 minutes south of Beaudesert and around an 1 hour and 20 minutes from Brisbane and the Gold Coast Contact Drew for more information and to arrange an inspection.
