Register Today

Register today and get your bid in before its too late . Dont wait for auction day it can sell anytime now ! This is a huge allotment with a 44 metre frontage and total area is 2447m2 . Zoning is neighbourhood so yes you can build a house here and a quick glance around you can see that big sheds are no trouble either . Services are in the street , there are no time limitis to build nor fancy restrictions so this may be the one ! We are selling via openn negotiation online auction so to register to bid use the qr code or call the sales agent , but dont wait as we are accepting bids now because the auction ends December 15th at 4pm so the clock is ticking !
