## Offers Over \$500,000

Isolated yet just 7.5 km south east of Harvey. Conservationist required to help conserve the native vegetation, rehabilitate the ex-gravel pit scars, and maybe build an off-grid cottage. Native vegetation including jarrah, marri, grass trees, parrot bush and assorted understorey. Abundance of wildlife including kangaroo, emu, red and white tailed cockatoos, echidnas, possums, carpet pythons and dugites. Companies seeking conservation offsets should consider this property. Buyers Note: All measurements/dollar amounts are approximate only and generally marked with an \* (Asterisk) for reference. Boundaries marked on images are a guideline and are for visual purposes only. Buyers should complete their own due diligence, including a visual inspection before entering into an offer and should not rely on the photos or text in this advertising in making a purchasing decision.
