\$958,193

Think of the quintessential family home, and the warm and inviting Ascot 28 will come to mind. The open plan living sits in the beating heart of the home, giving family members a space to come together in, or the option to peel off to the front lounge or rear family area for some downtime. The secondary bedrooms are nestled around the main bathroom in the dedicated children's wing, while the adults can create their own relaxing retreat in the spacious master bedroom overlooking the street.
