Whether you're looking for the perfect spot to build your dream home or somewhere to have as a base between travels, this block ticks all the boxes. Located in the quiet township of Mungungo with a good old country pub and 3 other houses in the town, you'll be only a short 10 minute drive from Monto where you'll find shops, schools, hospitals and more. There are 3 separate titles on a corner lot overlooking spectacular farmland with the Monal creek and mountains in the distance. Situated outside any flooding, there are no services (ie no town water, no sewerage) however that's part of the beauty of living in a small rural community!
