This house & land package is to be constructed. The Myrtle Alfresco by Statesman Homes offers clever features like a kitchen office, a roomy walk-in pantry and an alfresco courtyard. This gorgeous family home presents luxury modern living at its best and features a palatial master bedroom suite with private ensuite and walk-in-robe. Further down the hallway, the home theatre room provides a great space for entertaining or the perfect spot to unwind after a long and busy day. This home also has 3 additional bedrooms, all with built-in robes, located at the side of the home and serviced by a three-way bathroom with separate toilet for added convenience. These bedrooms have been cleverly positioned away from the living areas to create a segregated sleeping zone. The study, located off the main entrance, provides the ideal location for a home office. Designed with flexibility in mind, this room can also be used as a guest room for large families. The spacious kitchen is located in the centre of the home and features a kitchen office/study nook where children can be supervised whilst meals are being prepared. With views over the family and meals area, the home chef gets to feel involved with all the action! The meals area spills out onto a sensational alfresco area, designed to make use of our Mediterranean climate. Architect-designed to suit the modern family, the Myrtle Alfresco offers contemporary living to suit various lifestyles.
