About the Developer - The Stockland Story For over 70 years, Stockland has created welcoming and friendly residential communities in Australia. Throughout this time our customers and communities have been growing, adapting, sharing and changing our places into their places. That sentiment has made us into Australia's leading property group with places as diverse as residential communities, retail and more. It's our passion to not only build happy and healthy communities, but to create sustainable communities that thrive. We make the places, but you make them your own.
