Situated at East Maitland in the Hunter Valley, this new Estate offers 37 large quality residential homesites of 800 to 1,397sqm. Elevated sites with commanding views over the Wallis Creek Floodplains and the distant Broken Back Ranges will not disappoint. A classic 4 bedroom design in a single storey home. Perfect for all families, big and small. Every Montgomery Home is built with families in mind, and the Southport 217 is no exception. Two of the four bedrooms in this home adjoin the rumpus/activity room creating a space separate to the main living area for your family to spend time. The master bedroom is removed from the busiest part of the home with a set-back entrance for maximum privacy. The main living area is a beautiful open plan space that connects the alfresco to the modern kitchen. The kitchen features a stylish island bench and walk-in pantry. Suited for blocks 12.5m wide or larger, The Southport 217 is a great home for families that need space and all the mod-cons on a single level. Consider creating extra space with an optional raked ceiling in the living area to further enhance your ceiling height and sense of light. This package is eligible for the House and Land \$10K saving - don't wait, secure it before 30 June 2024! \$10K saving terms and conditions: To be eligible for the "\$10,000 Saving" offer a Tender must be requested within the Promotional Period and a commencement fee must be paid within 30 days of the Tender date (the Tender valid date). Promotional period is 2 May 2024 and 30 June 2024. The \$10,000 saving will be applied as a discount in your Tender. Offer valid for Greenfield (new estates), level sites with a maximum of 900mm fall over the building footprint and where no batter is required. \$10,000 offer is eligible on Montgomery Homes' single storey and two storey designs. This offer is not eligible on knock down rebuild sites. This offer is not to be used in conjunction with any other offer, promotion or discount and is not transferable for cash. For more information on this package, or for anything else, please reach out to me directly over the phone or via my email. *CONDITIONS APPLY - Bundle price excludes costs associated with land purchase (eg. legal fees, stamp duty and property searches etc). Bundles and pricing are based on current preliminary developer land information and are subject to developers design review panel, land registration and statutory/regulatory authority requirements (eg. Council, BASIX, Mines, Bushfire Regs etc) as well as soil assessment, contour survey and engineers reports. See inclusions list for standard inclusions. Pictures shown are for illustrative purposes only. Montgomery Homes reserves the right to revise plans, pricing and all specifications without obligation or notice prior to payment of a commencement fee. Site cost allowances are based on average site costs and may vary per individual site. Clients are responsible for tree and vegetation removal as well as scraping the site to a depth of 50-75mm prior to construction. The above pricing is an estimate based on land size of 450m². This pricelist is a guide only as pricing of turnkey items and site-specific requirements (i.e. BAL ratings) will vary depending on lot size. Emerge Collection packages are only available for vacant land with a maximum of 900mm fall over the building footprint and where no batter is required. Changes to designs are not permitted. Emerge Collection packages and pricing are for new estates. These packages and pricing do not apply to knock down rebuild sites. Designs and plans are copyright protected and remain the property of Montgomery Homes Pty Ltd at all times. *The included site costs offered by the Emerge Collection offers peace of mind and instils confidence in managing site expenses. The Emerge Collection included site costs encompasses both earthworks and piercing, specifically:

1. Earthworks; cut and/or fill to create level building pad on sites with maximum 900mm fall across the building envelope. Please note, included site costs price excludes removal of excess spoil, importation of fill and any stepped building pads/dropped edge beams (if applicable)
2. Piercing; supply and placement of up to 40 lineal metres of foundation piers (bored concrete piers or screw piles) to house slab. Please note, piercing layout and extent to be finalised by structural engineer, in conjunction with foundation design and results through the Limited Site Investigation.
