In true celebration of contemporary style meets functionality, comes the Dixon 22. Step through the garage after a jam-packed day to find a conveniently located laundry and built-in storage. Continuing on, generously proportioned children's bedrooms peel off from the hallway, leading you to a free-flowing kitchen, living and dining area. Sliding doors out to the alfresco provide bountiful light and breeze, encouraging the effortless indoor-outdoor lifestyle that we know Queenslanders love. At the other end of the home, away from the main living spaces, a master bedroom, walk-in robe and ensuite sits peacefully overlooking the streetscape, providing you with the ultimate sanctuary to relax and recharge in.
