Yep she's perched up high with no worries of flooding here. This is a great buy and perfect for anyone looking to build on a good size block with plenty of options. 6040m² of land, sealed road and power roadside. The block offers level frontage with a gentle slope to the rear. East access and a scattering of large shady hardwood trees making for plenty of options to build and have the ability to landscape and selectively set up your gardens. Good rich red soils perfect for the avid gardener to get the vegetable patches going. Options to the rear to place a good size dam for water collection to keep those plants lush and green. This block certainly lends itself to someone wanting to build their new home, with plenty of privacy, and in a good location. Glenwood is still the place where people seek good value buying, in an area that offers a good friendly vibe too. Great for the family with children looking for some extra space to enjoy the outdoors. Situated a short drive to Gympie and Maryborough. Give Karen a call on (0439 767 828) or Tim (0436 005 293).
