Located at the foot of MT Maria and close to Baffle Creek township - fishing crabbing and boating. Approximately an hour's drive from Bundaberg, this is just perfect for a country home lifestyle site. There are 2 dams and the property is currently well-grassed for grazing, however you can grow almost anything you want to. This fabulous lifestyle location awaits a lucky buyer as mostly cleared blocks with easy contours are almost impossible to find. Soundly fenced front and both sides, the back fence needs some work as this 19.01 ha block is part of a larger property with a home at its rear. Priced to sell don't miss this opportunity.
