Limited developed land is now available. Living at Meadow Rise means everything is at your fingertips; Shopping, Tavern, and Service Centre are a 2-minute drive to the Southside Town Centre and only 3km from Gympie CBD. This boutique small infill residential community presents a unique opportunity to build the lifestyle you have always wanted. Imagine taking a morning walk along the river trail, collecting fresh produce nearby, and then catching up with friends for brunch at Farmer & Sun before spending the afternoon exploring the rockpools of Woondum National Park and watching the sunset over Noosa's incredible beaches and finally retiring to bed in your brand-new dream home. Gympie township provides retail, education and healthcare amenities, while the surrounding beauty of the national parks, the Mary Valley region and the Sunshine Coast hinterland will allow you to embrace nature. Secure your land quickly and build your dream home in this unique lifestyle hotspot.

- Lifestyle: The nature, and the scenic Glass House Mountains are nearby, and easy access to the Sunny Coast for beautiful beaches and bays for families that love swimming, boating, and fishing.
- Easy to build on Homesites ready to go: Building in a more convenient location, investing, first home or downsizing, talk with us about a House and land package or buy a block and select your own Builder. Soil classification, site disclosures, and covenants are available on request. Call now to secure a unique homesite in this prestige infill enclave, easy to build on ready-to-go developed land. A new lifestyle awaits at Meadow Rise. Secure an excellent, affordable, developed homesite with limited availability, and build your dream home in this unique hinterland hotspot today.
