\$125,000

Beautifully cleared site ready for a new construction or removal house. Attractive houses as your neighbours. The garage has two car bays and concrete flooring. Local Primary School handy plus Stanthorpe High School bus just down the street. Most of the hard work has already been done so maybe this is the perfect site for your new home. Mains power connection has already been paid for and the 2 lots have already been amalgamated into the one Title in order to make the site Council approved for the construction of a dwelling - saving you thousands of dollars. Contact Logan Steele on 07 4681 3311 to arrange an inspection.
