\$115,000 to \$125,000

Very desirable location, adjacent to parklands and close to town centre and the sea. Fronting coastal reserve and with a view of the ocean possible from second storey. Take a walk over the Maria Creek Bridge into town centre, only minutes away. 1014m² approx, corner allotment - wide, flat and square, 600m from the beach. Land bank now and build the sea-view seaside home of your dreams one day. Rapidly developing area with quality homes being built, quiet location, very little traffic.
