Designed with character and charm, the Chester is an immaculate single-storey, three-bedroom home. With a restrained palette and contemporary facade, this thoughtfully considered home offers a double garage and covered entrance patio, leading into an extended entrance hallway. The oversized, open-plan kitchen, living and dining rooms are cleverly zoned away from large bedrooms, separated by a full-size laundry, linen closet and bathroom. The kitchen features a long island bench with ample space for bar seating, overlooking the living and dining areas. The master bedroom features a luxurious private ensuite, plus dedicated access to the outdoor alfresco entertaining terrace.
